Conversations on
Cluster Ministry
at
Little River Golf & Resort**

In the beautiful setting of the Sandhills of North Carolina, 12 miles north of Pinehurst, the Sandhills Episcopal Cluster of Churches presents an exploration of cluster ministry.

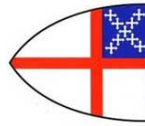

The Sandhills Cluster is made up of two Episcopal congregations, a church plant, and an Episcopal retirement living/nursing facility.

**We share resources; people, time, talents, gifts, ideas, educations and money. We believe we are all ministers of Jesus Christ through our baptism, called by God and empowered by the Holy Spirit to do God's work in the world and to be active leaders and participants in our congregations and in our cluster.*

National Colloquium: Conversations on Cluster Ministry

The purpose of this conference is to bring together parishioners and clergy from congregations of all sizes and characters who wish to explore the concepts and/or share their experiences of cluster ministry in the Episcopal Church.

We will also explore ways in which the cluster model may be used to increase opportunities, resources and outreach possibilities for small and large congregations.

- † *Which common ministries are better suited to clusters than to other ministry styles?*
- † *What have clusters been able to do that they were not able to do before becoming clusters?*
- † *What are some of the qualities, gifts and expectations that make a successful cluster missionary?*
- † *Tales from the Dark Side: What conflicts/lack of understanding hinder cluster ministries?*
